DISTRICT CROSS COUNTRY

Invitations for eligible students ie; 8 years and above will be sent home when received.

Thank you to those in our P&C who again did a fabulous job preparing a delicious lunch.

LMBR TRAINING

I was at LMBR training today and will be next Monday 8 May. Mrs Carey will attend training on Friday 5 May and Tuesday 9 May.

We are now getting to the part of our finance changeover where parents will not be able to use our Online Payment function for a couple of weeks. The function will be 'closed off' from 4pm this Friday 5 May until approximately midday on Monday 22 May – this is the day we 'Go Live' with our new program.

Parents who want to pay by cash can still send their payments in but we won't be receipting this until after 22 May - you will be manually marked off though as paying.

P&C MEETING

Tonight's P&C meeting will be focusing on the Fireworks/Auction organisation, to be held on Saturday 10 June.

This function requires an immense amount of time to organise. The major component is the ringing / contacting local businesses and asking for donations of 'goods' to be auctioned. In previous years the P&C have been very fortunate to have raised in the vicinity of \$8,000 - \$10,000 profit. The largest proportion of this profit comes from the auction.

The P&C will be asking for volunteers to collect donations from the various businesses. The more volunteers we have to collect the less that is placed on just a few people. Please try and volunteer a small amount of

time to do some collecting, while you are in town. More information will come after the meeting tonight.

INDONESIAN BRIDGE PROGRAM

We have received a grant to enable Mrs Hayes and myself to attend Professional Development on Wednesday, Thursday and Friday, of next week, in preparation for our Indonesian teachers who will visit our school from the 15 May - 26 May. The teachers are very excited about coming to Windellama as are our students.
