INDONESIAN BRIDGE PARTNERSHIP

Attached to this newsletter is an article which was published in the Goulburn Post last week. Our association with our Indonesian partner school MI NW Bagik Polak, is as important to them as it is us. This large banner is proudly displayed at their school.

Also, below is information from the Australian Embassy in Jakarta's Facebook page.

Indonesian teachers from West Lombok, Bapak Wawan and Ibu Sundu, who participated in the two-week BRIDGE school partnerships program in Australia last month, made great connections with staff and students at Windellama Public School, NSW. They had opportunities to teach Indonesian, traditional dances, songs, and traditional games to students at the Indonesian Cultural Day organised by Windellama. School Principal Donna Edworthy said it had been wonderful to host Ibu Sundu and Bapak Wawan in her home town and give the teachers a true Australian bush experience. Read more at the below website.

It has been wonderful to hear from many parents about the very positive experience it has been for our students to be part of this program and to meet Ibu Sundu and Bapak Wawan.

TREC DISTRICT ATHLETICS

Well done to Montana, Toby, Cooper, Shkeira and Kiara who all did very well when they represented TREC at the District Athletics Carnival.

THE BIG RED BUS

The Big Red Bus will visit this Wednesday. A reminder that students will only be borrowing 3 books.

MULTIPURPOSE COURT

The multipurpose court is nearing completion. As a school community we will continue to discuss what we will do with the rest of the playground.

Congratulations to students who have done a magnificent job playing in a smaller space as they await their new court area.

REGIONAL CROSS COUNTRY

Congratulations to Montana who again made us proud when she represented TREC and Goulburn/Crookwell PSSA at Regional Cross Country.

P&C FIREWORKS AND AUCTION FUNDRAISER

Thank you to everyone who contributed to this year's P&C fundraiser. Whether that was calling businesses, picking up items, making cakes, slices and jellies, providing items for the pick-a-jar, collecting equipment from school on Friday and returning it on Sunday. Collecting firewood, counting money. Cooking soup, and preparing chicken and veggie wraps. Thank you to those who gave their time setting up, serving, and cleaning up on Saturday.

Thank you to the RFS for attending and making sure the bonfire was under control and thank you to Dave Edworthy for doing the disco.

This continues to be a great community event and each year the P&C manage to raise more money. This year it was an astronomical \$11 000. Well done everyone!

NO HOT LUNCHES

WEEK 8

There are no scheduled Hot Lunches this week. Due to this there will be NO RECESS BUY UP.

WEEK 9

There are no scheduled Hot Lunches this week. Due to this there will be **NO RECESS BUY UP.**

WELCOME

We would like to give a big warm Windellama welcome to Sophie Cambridge. Miss Cambridge became part of our team today and will work Monday, Tuesday and Wednesdays.

GRC PARTNER SCHOOLS DAY

Last Thursday we attended the partner schools day at the Goulburn Regional Conservatorium. We thank Miss A and her team of GRC teaching staff and students from the Sydney Conservatorium of Music for a great day of music education. The day featured lots of interactive and fun music activities.

PARENT/TEACHER INTERVIEWS

Last Thursday we sent home interview schedule times. We will endeavour to accommodate all requests and we will send confirmation notes home this Friday. Student reports will be handed out at parent interviews or sent home on Friday 23 June.

LMBR

Mrs Carey is attending her last LMBR training day today and I will be attending my last training on Thursday.

TREC ABORIGINAL CULTURAL DAY AT BREADALBANE

K-6 students will attend an Aboriginal Cultural Day on Tuesday 27 June. We will meet with an Aboriginal Elder who will spend the day with us. The bus cost for this day will be \$6.00 per student. Please fill in attached permission note and return it to school with money.

BOUNCE BACK PROGRAM

This Friday we begin a wellbeing program called Bounce Back which will be taught by our school counsellor Kylie McPhie. The program is about resilience which is a very important skill for our students to have and be aware of.

COUNTRY WOMEN'S ASSOCIATION AT TARAGO HALL

All students will attend the CWA Country of Study morning at Tarago on Wednesday 28 June. This year's country is Nepal and students will work on a power point presentation. Travel will be by school bus at no cost to families as school will cover the cost.

APPOLOGY

Please accept my apologies for the GRC partner school day permission note not being sent home. Thank you for returning notes and money promptly.

FREE WOOD CHIP

As stated in the last newsletter, we have an abundance of wood chip from the trees that were cut down to make way for the multipurpose court. Please feel free to take as much of the wood chip as you would like. You will find it across the road on the right hand side.

**Congratulations to
our Week 8
Playground Awardee
Jack!**
