To celebrate our new sensory garden, we are having a special opening next Wednesday 20<sup>th</sup> November at 5:30pm.

We will be having the Mayor Bob Kirk and Deputy Mayor Peter Walker attending, so it would be lovely to see all our students, families and friends come along.

An invitation went home with all our students last week, with an RSVP to advise if you can attend.

We would appreciate if you could take a moment now to inform the school of your attendance or not, so that we can cater appropriately.

### REMINDER

Our sensory garden opening is this Wednesday, could you please advise if you can make it to our celebration, by either calling or emailing the school. For those that have responded thank you very much.

## A WORD FROM THE PRINCIPAL

What a week we had last week! Thank you everyone for your understanding on Tuesday. I know the risk of fire here was small, but it was a risk I wasn't prepared to take.

Swim School was a great success with all students who attended showing improvement. I was very proud of those students who went outside of their comfort zone. The water safety lessons are important for all children as they can be applied to all waterways. Thank you to Ms Charnley for braving the cold to help with our small people.

I am looking forward to seeing our families here on Wednesday for our sensory garden opening ceremony. We are also taking this opportunity to award platinum behaviour certificates. If your child has achieved this they will have brought home a letter.

## RECESS BUY-UP WINNERS

Axel (K-2) and Mia (3-6)  
Week 4 winners.

## KINDER ORIENTATION

We have completed our last week of Kinder Orientation! We were very lucky to welcome Dekota, Evie, Gracie and Chelsie to our school. Thank you to our Year 6 helpers Mardi, Will, Tyler, Toby, and Victoria, who gave us a hand with orientation.

We are looking forward to next year when we get to see our new Kinders every day.

## SWIMMING AND WATER SAFETY PROGRAM

Last week we had our swimming and water safety program, the weather and pool temperature were cooler than normal. The students learnt a lot of very valuable skills.

## REMEMBRANCE DAY

**11<sup>th</sup> November, 2019**

Our students came together to pay tribute to all who serve our country. It marks the day World War One ended, at 11am on the 11th day of the 11th month, in 1918. A minute silence is held at 11am to remember the people who have died in wars.

## **CANCELLED** **BUNNINGS BBQ THIS SATURDAY 23 NOVEMBER**

**~~"Volunteers Needed"~~**

Our P & C Association will be conducting their next fundraiser, being the Bunnings BBQ. An expression of interest note has been enclosed for any helpers that can be available on the day. Can you please respond to this ASAP, our last BBQ had to be cancelled due to lack of volunteers. Where possible, we would not like to cancel another one.

## **GOULBURN HIGH 2020 YEAR 7 ORIENTATION**

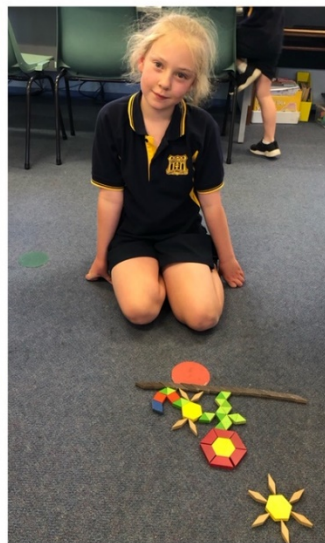

On Tuesday the 3<sup>rd</sup> of December students enrolling at Goulburn High for year 7 2020, have an orientation day. Following on from this between 4-6pm book packs and uniforms will be available to purchase. Then from 6-7pm there is an information session for all parents and carers.

## What's Happening in K - 2

We have been exhausted this week after completing two swimming lessons each day and driving in and out of town.

On Thursday afternoon, we enjoyed taking part in some activities with our new Kinder students and Year 6.

Also pictured are Axel and Bella making the most of the bus trip to the pool to catch up on reading about Minecraft.

Last week was taken up for the most part by swim school. We are also practicing for our end of year performance and learning our Christmas carols for our nursing home visits in Week 9.
