Our year 6 students went off to GRIP leadership at Goulburn Workers Club on Monday 4th March. Our students were able to meet up with other students across the Goulburn district. They all had a great day.

Goulburn Regional Conservatorium

Jack is having his weekly guitar lesson with Miss A & Mrs J

K – 2 having their group music lesson with Mrs J

P&C MEETING
WEDNESDAY
20 MARCH 2019
6.00 pm

A WORD FROM THE PRINCIPAL

Two of our students, Mardi and Shkeira, have gone to Tirranna today to attend a debating workshop. I'm sure they will bring back invaluable skills to share with the other students.

Our playground and classroom behaviour program is off to a good start. A few students are still coming to terms with expectations, but most have taken on board the values of our school; respect, responsibility and excellence. From next week, if your child receives 5 mentions in a week on either the playground behaviour sheet or the classroom sheet, you will receive an email.

We need your assistance in supporting our P & C. Please come along to the meeting next Wednesday and find out how you can help support our school community.

Book club brochure has been enclosed, please have all orders completed by Thursday 21st March 2019.

P&C MEETING

Parent and Citizen (P&C) meeting next meeting will be Monday 20th March, 2019.

The P & C will be again trying to fill the 3 positions, being President, Secretary and Treasurer. Anyone who would be interested in taking on a position and continuing on the great work that the P & C has done over a very long time, please come along to this meeting.

Parents, grandparents and community are encouraged to come along. Everyone, including children are welcome to join us.

PBL UPDATE

As part of our positive behaviour for learning (PBL) program, we have begun giving out assembly and playground tokens.

These tokens are given to students who display our three core school values of respect, responsibility and excellence on the playground or when returning to lines after play.

The tokens are then collected and included in a weekly raffle drawn on a Thursday morning.

The winners of the raffle receive a \$1.50 voucher to use at the school canteen for recess buy-up.

The following students have already been lucky winners, and have used their voucher at recess buy-up:

Week 5: Jeremy (K-2)

Week 6: Lacey (K-2) and Adelaide (3-6)

Week 7: Samuel (K-2) and Jack (3-6)

Congratulations to those students.

SCHOOL CAMP YEARS 3 – 6

Berry Sport & Recreation Camp will be in Term 4 week 1, being from Monday 14th October, returning Friday 18th October, 2019.

Once costings have been finalised a payment plan will be organised and forwarded out soon.

HOT LUNCHES

A very big thank you to Karen Scarfi for providing the entire school with a spaghetti bolognese and a chocolate chip muffin.

The students and teachers enjoyed every mouthful.

Every year the Peace Run visits countless schools in more than 100 countries around the world. Students get to meet the runners, hold the torch and express their own hopes and dreams for a more harmonious world.

EVENTS	DATES
School Assembly	Week 10, Wednesday 3 April
TREC Day at Windellama	Week 10, Thursday 4 April
Windellama Country Fair	Week 10, Saturday 6 March

Welcome to
Kindergarten
Valerie.

What's Happening in K – 2

K-2 were excited to welcome our newest class member to the class this week. Valerie is from Western Australia and was excited to start Kindergarten at Windellama. Welcome Valerie!

We have been focusing on learning our 'Friends of Ten' and 'Friends of Twenty' in Mathematics. Students have been using ten/twenty frames and counters to determine how many more they would need to make ten/twenty and then using these facts to find the missing number when solving problems, for example, $3 + \underline{\quad} = 10$ or $13 + \underline{\quad} = 20$. It was great to see Year One and Two students noticing patterns when adding to ten or twenty. Kindergarten have also been learning how to represent and form numbers correctly and have been having some great success while doing so.

What's Happening in 3 – 6

We have welcomed Charlie to our room for maths and reading groups this week. Our 3 – 6 students have been very supportive. Our students are enjoying the challenge of our maths problem solving activities, they certainly test our brain power.

EdShop Maths Worksheet EW -- 07 19

Student Name: _____
Grade: _____ Date: _____

- To help our farmers suffering from fire and drought, the "Buy a Bale" appeal suggests donations of \$20 per bale, or \$5,700 for a truckload of bales. At that rate, how many bales would there be on that truck?

- Coles and eBay have a new agreement, in which 4,000 products normally found in a supermarket store could be bought online through eBay. eBay currently has 2.5 million visits per week. How many visits is that per year? Write your answer in figures.

- Sara's rectangular bedroom measures 4 metres x 3.5 metres, with a ceiling height of 190 cm. She wants to paint the entire room, including the door, pale blue. The paint she wants to use costs \$72 per 4-litre can, and one litre of paint covers 8 square metres. How many 4-litre cans of paint should she buy, and what will it cost?

- Professional football players can be paid VERY well! A recent (2019) survey found that, in one league, 160 players took home between \$100,000 and \$200,000 a year; 140 made between \$200,000 and \$300,000; and 145 made between \$300,000 and \$400,000. Find the MEAN of each range. Then find the MEAN of those MEANS.
