P&C MEETING
MONDAY
3RD JUNE 2019
6.00 pm

A WORD FROM THE PRINCIPAL

What a busy time we have had so far this term. I am very impressed by the way our students have dealt with all the disruptions to their normal routines.

Years 3 and 5 have just about finished NAPLAN tests this week. You may have heard that many schools have had major technical glitches to deal with. We have been lucky enough to have only had a minor hiccup to deal with. I am proud of the effort all the students put in during this time, and of the Year 4 and 6 students who have joined K to 2 each day.

Both the K to 2 and 3 to 6 classes have Crunch and Sip time each day. All students are encouraged to bring a fruit snack to have. Some students don't always have a piece of fruit. If your child is a reluctant fruit eater veggie sticks are a great alternative, or the fruit in juice cups that are available are also a good choice.

Mrs Tinson returns from her holiday next week. I know we have all enjoyed having Ms McGahey and Mrs Casey back for the last three weeks and look forward to seeing them from time to time during the year. Thank you both.

**INVERT
GYMNASTICS**

For Term 2 on Tuesdays, we have Vaughan from Invert Gymnastics coaching recreational gymnastics to develop a lifelong, healthy attitude towards sport in a fun and friendly environment. All of the Gymnastics programs are custom designed to cover all that is required in the Department of Education PDHPE curriculum.

P&C MEETING

Parent and Citizen (P&C) meeting next meeting will be Monday 3 June, 2019.

Parents, grandparents and community are encouraged to come along. Everyone, including children are welcome to join us.

BIG RED BUS

19th June 2019

Please remember to return your books.

Books can also be returned directly to the library in Goulburn if that is more convenient.

To all our lovely Mums, I hope you all had a lovely day and were able to spend some much loved quality time together with your families. All the students had a great time making your gift. Mrs Alessi was able to assist with all the tie dying for the students to complete the decoration of their bags.

First of all, they tied on the rubber bands.

Then added the colourful dye.

The finished bags hanging out to dry.

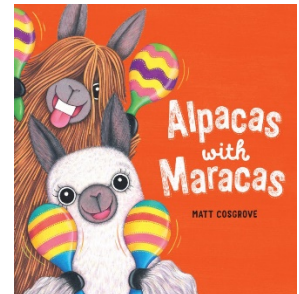

A big thank you goes out to Angella Storrier Real Estate for again donating \$500 to Windellama Public School. We will be using this donation for new reading resources for the year's 3 – 6 classroom. Thank you.

Brett Storrier, presenting Ms Julie Burton with the donation for our school.

National Simultaneous Story time 22nd May 2019 at 11am

This years' story is Alpacas with Maracas.

It is read simultaneously in libraries, schools, pre-schools, childcare centres, family homes, bookshops and many other places around the country.

WHAT'S COMING UP?

TREC Science & Space Day will be held at Tarago School on the 31st May, a permission note will follow soon.

TREC Athletics Day at Hudson Park on Tuesday 4th June. A permission note will be follow soon.

UPCOMING EVENTS IN TERM 1

EVENTS	DATES
Assembly	Week 5, Thursday 30 May
TREC Science & Space Day	Week 5, Friday 31 May
TREC Athletics Carnival	Week 6, Tuesday 4 June

What's Happening in 3 – 6

What a super dooper effort Years 3 and 5 have put in this week, it was exhausting. Years 4 and 6 have been fantastic too, helping in the K to 2 room. We also enjoyed gymnastics with Vaughn. Even Mrs Charnley and Ms Leggett joined in.

What's Happening in K - 2

This week in K-2 we have been taught by Mrs Casey and Miss McGahey. We are looking forward to Mrs Tinson returning and telling us more about her wonderful trip to America. Students have been writing to Mrs Tinson every day to keep her up to date about everything happening in the classroom.

We have practised coding, using BeeBots and sight word mats. Students had to code our BeeBot to reach a sight word we randomly selected.

We have learned all about our surrounding environment in our science unit "Look up and around"

Our Naplan students having a well deserved rest after their testing.
