## A WORD FROM THE PRINCIPAL

Well, we all went to Tarago last Friday for another TREC day. The inflatable planetarium, was very exciting.

Tomorrow we have our TREC athletics carnival. We've had lots of practice throwing shot puts and discusses, and a little practice jumping high. I'm sure all our students will strive to do their best on Tuesday.

Thank you to all those family members who attended our Reconciliation assembly last week. I was impressed by the K to 2 children's knowledge of why we commemorate this time. I know the 3 to 6 class looked at the message behind From Little Things Big Things Grow.

Pat the Dog, the Commonwealth Bank's student banking mascot is visiting next week, so we have another busy week coming up.

## P&C MEETING

Parent and Citizen (P&C) meeting next meeting will be tonight 3<sup>rd</sup> June, 2019. The following meeting will be 1<sup>st</sup> July, 2019.

Parents, grandparents and community are encouraged to come along. Everyone, including children are welcome to join us.

## YEAR 6 JACKETS

Our year 6 students, Mardi, Victoria, Tyler, Tobie and William, were presented at assembly, their own year 6 jacket. They all look great.

## MUSIC LESSONS

The students have had another enjoyable week of music lessons with Mrs Jear from the Goulburn Regional Conservatorium, with all the students participating in drumming.

## SCIENCE AND SPACE DAY

All the students travelled by bus over to Tarago, along with all the other TREC schools to be captivated by the planetarium which engaged, amazed and inspired all. All the students went on a space adventure.

## What's Happening in K - 2

Last week was Reconciliation Week. We learnt about Aboriginal Dreaming Stories and created our own sea turtle artwork. We also made our own version of the Acknowledgement of Country, which Charlie recited at our K-6 assembly last Thursday.

## What's Happening in 3 – 6

We have been practicing hard for athletics next week. We have also been looking at why we commemorate Reconciliation Week and National Sorry Day. Everybody had a great time at our Space Day at Tarago and designing and making our science projects.
