TERM 4 WEEK 6 NEWSLETTER

A WORD FROM THE PRINCIPAL

It's difficult to believe that we have already moved into the second half of Term 4! Staff are once again busy writing student reports and preparing for busy end of year activities. Whilst formal parent-teacher conferences are only offered at the end of Term 2, if you have any questions about your child's learning, please know that you can contact the office to speak to your child's teachers at any time throughout the year.

Today, a link will be sent out through School Bytes to complete a parent/carer satisfaction survey. I would like to strongly encourage all families to complete this survey so that we have valid feedback when considering future planning and improvements at our school. We highly value your opinion and would appreciate if all families could participate.

This week, the final session of our Kindergarten Orientation was held. Mrs Robertson and the Junior students welcomed Aaliyah to our school over three separate sessions. We are really look forward to having her join us next year. If you know of any other families with Kindergarten-aged children for 2024, or any new families that are moving to the area, please encourage them to contact the school to organise an enrolment.
