### *Principal Message*

I am delighted to extend my warmest greetings to each and every one of you as the newly appointed principal of Windellama Public School. I am eager to commence our journey together in fostering an environment where every student can thrive and succeed.

On Tuesday night, I had the privilege of attending the **P&C** meeting. The members of this gathering exhibit immense passion and work diligently to support the learning and enjoyment within our school community. I extend my heartfelt gratitude to all those wonderful parents and citizens who attended.

I would like to inform all families about an upcoming exciting event. Towards the end of next week, I will have the privilege of embarking on the **Kokoda Trek**. I am fortunate to undertake this remarkable journey with my father (62) and my brother. We have undergone extensive training, and I am eagerly anticipating our arrival in Papua New Guinea. An Expression of Interest was sent out, and I am pleased to announce that all necessary arrangements have been made. Furthermore, we are pleased to welcome new families who have joined us this term. I extend a warm welcome to all of our new families. Welcome to Windellama Public School.

## Reminders

Students need to have their **winter uniform** including their Windellama Public School Hat or Beanie, every day.

Can families have a conversation with their children around **bus safety**. We have had reports of various students moving around whilst the bus is in motion. This is not safe especially on our rural roads. Stay in seats is our focus !
